Purpose: This two-day custom class is designed for officers and armed professionals who may not have immediate access to a long gun while responding to an active killer situation. For situations that require precision at greater distances, crowded environments, and engaging targets while moving as a sole respondent and with a partner. The class is applicable to school resource officers, detectives/plain clothes, probation and parole, armed security and the private citizen.

Training goals:

- Improve individual's handgun skills with a challenging and safe training environment which allows them to explore their current abilities and to provide opportunities to improve their shooting discipline and operational performance in chaotic environments.
- Reduce liability in deadly force situations through challenging live fire training exercises relative to environments such as a school, church, courtroom, parking lot, mall, etc.

Attendee Requirements:

Full duty gear specific to job assignment/quality holster, 3 magazines
700 rounds of pistol ammunition

Brimmed hat, ear protection, and wrap around shatter resistant eye protection

Water or a hydration system and simple form of carbohydrate

Proper dress for weather conditions

About LouKa Tactical: In business since 1999 it is the largest female owned and operated company of its kind with a diverse cadre of instructors with very unique talents.
